NSC BRIEFING

8 December 1954

OFFSHORE ISLANDS

- I. Island situation very quiet past 10 days--
broken only by sporadic shelling of Ichiang
(in north) and Quemoy's.
 - A. Communists may have been waiting for
clarification of US intentions or
amplifying US comment on Taipei pact.
 - B. However, such alternating lulls and
pressures common this year and heavy
shelling, bombing may be renewed any
time, in continuation harassment program.
